

WEBINAR

Building Better: LCA in Energy-Efficient Renovation

[> Register Now](#) **October 16, 2025** |  **15:00-16:00 CEST**

INVITATION

Discover how dynamic Life Cycle Assessment and Costing can transform building renovation. Join Horizon EU project InCUBE and research institute CERTH to explore the VERIFY tool, real-world demo sites, and strategies that cut costs, reduce emissions, and boost efficiency.

OUR SPEAKERS

**Eleni Chatzigeorgiou**

Research Assistant

**Andreas Seitaridis**

Research Software Engineer

**Philo Tamis**

Project Manager
